

READ-US AFRICA 2021 STRATEGIC FOCUS

READ-US AFRICA 2021 STRATEGIC FOCUS

Read-Us is the reading program of the Africa Debate Institute with an aim of nurturing the value of reading on the African with a core intention of shaping and nurturing the African dream. In 2021, the programme shall have 7 core aspirations

1. To launch 50 reading clubs in Ugandan schools (10 per region in 5 major regions) effective when the schools open up to every student .
2. To establish and sustain 5 international Rangers Book Clubs in Zimbabwe, Ghana ,Kenya, South Africa , Cameroon, and Nigeria
3. To convene an African readers Conference in November where an identified book shall be thoroughly discussed.
4. To hold monthly book discussion meetings once a month in Kampala every last Saturday of the month.
5. To hold a schools writing competition in March with the announcement of winners being in April. Overall winners shall feature in the Read-US magazine
6. To hold 5 regional trainings for book club leaders and patrons in September.
7. To launch and establish 3 book reading clubs in three universities i.e. Makerere University, Kyambogo University and Mbarara Institute of Science and Technology
